Dear Dr. Bialecki:

The purpose of this letter is to confirm my upcoming onsite monitoring visit at your site for the H-34 DELTA REVISION CUP study. The monitoring visit is scheduled for 9 June 2022 beginning at 9 AM.

The following items must be available for my review during the visit:

Please allow time during my visit to meet with the Investigator and discuss the study progress and any issues or concerns noted during this monitoring visit.

After the monitoring visit is complete, I will follow-up with you and your research coordinator to review and discuss issues identified during the monitoring review, corrective actions, and any other outstanding issues.
